Eudora - Changing User Settings

1. Open Eudora
2. Go to the "Tools" menu
3. Choose "Options"
4. Make sure the Selected category is "Getting Started"
5. Change these two fields to reflect your new mail server address:

Mail Server (Incoming): mail.tds.lib.mn.us
SMTP Server (Outgoing): mail.tds.lib.mn.us

6. Click OK
7. You will continue to use your present password for now
8. Check for new mail & send mail to yourself as a test
9. If you wish to use the Web based email you will need to point your browser to <http://mail.tds.lib.mn.us>
