Early Returns on a Kindle

1. From the Amazon home page, find and then click on the link for *Manage your Kindle*.
2. You'll be prompted to login to your Amazon account.
3. After logging in, you'll get a list of both library checkouts and purchased Kindle titles.
4. Click the *Action* button on the right-hand side of the library title you wish to return, and select "Return this book" (example shown below).

5. The next time you turn on your Kindle, with wireless access or with the USB connection to your PC, Amazon will automatically update the status of the title in your Kindle with the message "Your Kindle book loan has ended".
6. To completely remove it from the list of titles on your Kindle, highlight the title on your Kindle and click the left arrow button. It will prompt you to remove the title from your device.
